# Hope to see you in 2011!

Many will be aware that in May 2010, my Charity hosted its first ever fundraising Golf day. It was a brilliant day and we are so grateful for the support of the Celebrities and teams who joined us, which has meant that the Trust can continue to support disadvantaged young people through our programmes.

We are only too aware that diaries get booked up quickly, so we are already planning for the next Golf Day in 2011. We are delighted that K2 Performance Systems have continued their sponsorship of the day, and it would be great to have you with us on the 10th May 2011.

If you want to secure your team's place please use the form on the next page. Each team of three will be joined by a sporting celebrity on the day. I look forward to welcoming you to the London Club, when Brunch will be followed by 18 holes of Golf on the stunning Heritage Course. A Presentation Dinner will round off what we know will be a fantastic day in aid of the Dame Kelly Holmes Legacy Trust.

All for Good Ltd are handling the management of this event. If you want more information please contact Pete Rhodes, Managing Director:
