ABOUT NTOKOZO

Ntokozo is one of the many important cogs within the sales and marketing machine at PlanetK2.

Ntokozo is something of a social media savant. She's incredibly adept at building relationships within the online community over platforms like Twitter and LinkedIn.

Ntokozo is also responsible for monitoring the performance of our online engagements and working so that we meet the expectations we set for ourselves.

PROFILE

Ntokozo is an experienced Marketing professional and a creative thinker.

She holds an undergraduate diploma in Public Relations & Communications Management as well as a post grad Advanced Diploma in Marketing & Advertising Communications.

EXPERTISE

Ntokozo brings her marketing expertise from South Africa and has a deep understanding of digital marketing, design and social media.

ROLE

Ntokozo's role at Planetk2 is centred around building relationships with the online community – reaching out to our audience and making sure that every social channel and platform is performing meticulously.
